Retirement

The last few years that Faith Long was at H-F she worked in the North Building as a secretary to the principal. Her generosity and kindness greeted all who entered the main office of the North Building.

Elsa Rehberg spent 7 years at H-F. She was more than a Business Office Clerk. Her wonderful sense of humor and happy outlook on life touched all of us.

The Celebration Of Life

Lucille Dubocq

1917 - 1978

''Let me welcome you to Homewood Flossmoor High School'' . . . The first counselor to embrace the young hearts and minds of H-F students . . . Wellesley, Rogers, The Community Center Foundation, ''What's Ahead,'' TAP, Family Counseling. How does one measure, celebrate a life? 19 years of love, service, and caring - a woman, wife, mother, counselor, mentor, friend - joy of sharing and creating life.

She has success, who makes the world a better place whether by a poem, a red poppy, or a new song, whose memory is a celebration, whose life a benediction.

In Memory

A. William Cady
1926 - 1978

Bill was a member of H-F's ''Mayflower'' group . . . the ''59'ers'' as they liked to be called. He was a dedicated father, educator, and civic person . . . a concerned human being. Bill devoted his adult life to making education of young people a real and meaningful experience. Those of us fortunate enough to have known him will fondly remember these qualities that made him unique. In all his efforts he left us a heritage of high standards for which to reach.

As a senior one finds the time to reflect on the experiences of the past four years spent at Homewood Flossmoor High School. Each memorable experience, good or bad, will be kept always and valued as a lesson well learned. For this, only the future can give the results of these experiences.

Completing the 1978 Odin has given me many new experiences I probably could not have received any other way. Probably the deepest of these experiences was working with the other students on the Odin staff. Full credit for this '78 publication can only be given to the devoted few that spent many hours and days of summer vacation working on the book. Special recognition and thanks should go to Mr. Kinney and Sue Nelson for their endless time and effort in helping complete this edition of Odin.

To Sue Nelson, the '79 Odin Editor, I wish much success in getting her edition out on time. To the class of 1978 I hope for each of them that the future brings happiness, success and a good life.

Liz Merman,
Odin Editor '78
